

## IN MEMORIAM

As a service to readers, *The Annuitant* publishes a listing of deceased employees and annuitants taken from *Inside Illinois* issues as well as other print sources. The following listing gives the name, the age at death (when known), and the date of death (when known) for those individuals whose death notices appeared between September 5, 2013 and August 7, 2014.

Due to increased privacy restrictions and the lack of public information in many obituary notices, this list can be difficult to develop. Thus the list may gradually become less comprehensive.
