Membership (continued)

New membership materials are available — be sure to add these to your Chapter recruiting efforts!

- walk about flyer - highlights what SUAA is/does
- new membership brochure
- member benefits brochure - features all ancillary benefits

SUAA Membership Ideas

SIUE is sponsoring relevant on campus events to current employees (Fall events included financial planning, SURS Benefits, and Higher Education Reform Legislation); two of these events were streamed live to participants wanting to 'virtually' attend using Zoom technology.

More membership ideas are available on the SUAA website - use your member login and click on Membership then on Officer Toolbox.

Send us your successful recruiting events, and we will highlight in the next REGION 3 ANNOUNCEMENTS.

Budget!

Because of low membership numbers, a new line item has been added: DONATIONS

Due to the loss of membership, SUAA is running low on funds! If your chapter can donate, please make a chapter donation ASAP! Also, directors, please send an individual donation in whatever amount you can afford to SUAA. Please be as generous as you can!

Legislative Platform

The new 2019 legislative platform was adopted at the Fall Meeting and is now posted to the SUAA website.
